# Terms and conditions

## BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalog. H.R. Harmer, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Harmer reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith.
2. The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor), the auctioneer alone shall determine who is the successful bidder and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 18% on the hammer price is payable by the buyer.
3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.  
(b) All lots are offered subject to a reserve price. The auctioneer may implement such reserve price. The auctioneer may implement such reserve price by bidding on behalf of the consignor vendor.  
(c) It may also be assumed that all consignors have been advanced monies against the sale of their stamps and Harmers therefore has a security interest over and above the normal auction commission.  
(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.  
(e) Agents are responsible for all purchases made on behalf of their clients, unless other arrangements have been confirmed in writing prior to the auction.  
(f) HRHarmer further reserves the right to ban any bidder from participation in its' sales for any reason deemed appropriate in its' sole discretion.  
(g) HRHarmer retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is Hammered down to the highest bidder, for any reason whatsoever. In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot for sale to the highest bidder.

## PAYMENT FOR PURCHASES

All charges for handling and delivery shall be added to your invoice. All shipments sent by Harmers are fully insured against loss in transit unless otherwise requested.
  - (iii) Where an opinion of a generally recognized authority is desired, payment is still due within ten (10) business days of auction. We will hold the funds while we send the items to the recognized authorities.
- (b) Payment is accepted in the form of

  - (iii) By credit card (MasterCard, Discover or Visa). Payment by credit card is accepted as payment but will be subject to a 3% Convenience fee. This fee will be added to the total of the invoice including hammer price, buyer's premium, shipping and other applicable taxes and fees.

## TITLE; DEFAULT

5. (a) Subject to the fulfillment of all of the conditions set forth herein, on the fall of the auctioneer's hammer, title to the offered lot will pass to the highest bidder acknowledged by the auctioneer, and such bidder the reupon (a) assumes full risk and responsibility therefore, and (b) will pay the purchase price as set forth in Conditions of Sale 4.  
(b) In addition to other remedies available to us by law, we reserve the right to impose from the date of sale a late charge of 2% per month if payment is not made in accordance with the conditions set forth herein. Unless otherwise agreed by Harmers, all property must be removed from our premises by the purchaser at his expense not later than 10 business days following its sale.  
(c) If any applicable conditions herein are not complied with by the purchaser, the purchaser will be in default and in addition to any and all other remedies available to us and the Consignor by law, including, without limitation, the right to hold the purchaser liable for the total purchase price, including all fees, charges and expenses more fully set forth herein, we, at our option, may (x) cancel the sale of that, or any other lot or lots sold to the defaulting purchaser at the same or any other auction, retaining as liquidated damages all payments made by the purchaser, or (y) resell the purchased property, whether at public auction or by private sale, or (z) effect any combination thereof. In any case, the purchaser will be liable for any deficiency, any and all costs, handling charges, late charges, expenses of both sales, our commissions on both sales at our regular rates, legal fees and expenses, collection fees and incidental damages. We may, in our sole discretion, apply any proceeds of sale then due or thereafter becoming due to the purchaser from us or any affiliated company, or any payment made by the purchaser to us or any affiliated company, whether or not intended to reduce the purchaser's obligations with respect to the unpaid lot or lots, to the deficiency and any other amounts due to us or any affiliated companies. In addition, a defaulting purchaser will be deemed to have granted and assigned to us and our affiliated companies, a continuing security interest of first priority in any property or money of or owing to such purchaser in our possession or in the possession of any of our affiliated companies, and we may retain and apply such property or money as collateral security for the obligations due to us or to any affiliated company of ours. We shall have all of the rights accorded a secured party under the New York Uniform Commercial Code (UCC).  
(d) Payment will not be deemed to have been made in full until we have collected good funds. Any claims relating to any purchase, including any claims under the Conditions of Sale, must be presented directly to Harmer. In the event the purchaser fails to pay any or all of the total purchase price for any lot and Harmer nonetheless elects to pay the Consignor any portion of the sale proceeds, the purchaser acknowledges that Harmers shall have all of the rights of the Consignor to pursue the purchaser for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

## EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) On Premises Inspection and Postal Viewing. Ample opportunity is given for on premises inspection prior to the auction date, and, upon written request and at Harmers discretion, for inspection by postal viewing (all as detailed elsewhere in this Catalog).  
(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalog, including but not restricted to the section entitled "Key to Cataloguing".  
(c) Quality. Any lot which a purchaser considers to be incorrectly described may be returned to Harmers within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Harmers within four weeks of the date of the auction; however, Harmers may, in its discretion, refuse acceptance of such returned lot. If an opinion of a generally recognized authority is desired, the period of time within which a lot must be received by Harmers will be extended in accordance with Condition of Sale 8. In the event that a dispute cannot be resolved by reference to a generally recognized authority, and Harmers thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned intact in the condition received by the purchaser. The following lots are not returnable except at the discretion of Harmers: (i) lots from purchasers who attended the exhibition of the lots; (ii) lots examined by postal viewers; (iii) lots on account of their appearance, if they are

illustrated in this Catalog; (iv) lots described as having repairs, defects or faults— for any reason; (v) U.S. stamps (through 1918) for reasons of paper inclusions, (vi) no encapsulated stamps unless originally offered in this condition. (vii) Multiple stamp/item lots including sets of 15 or more stamps, collections, large lots and group lots, whether certified or not, as sold "As Is" and are not returnable for any reason.

(d) Authenticity. Any lot which is declared otherwise than genuine by a generally recognized authority is returnable, provided such lot is received by Harmer within four weeks of the date of the auction. Proof that a generally recognized authority declines to express an opinion is normally grounds for the return of a lot.

(e) Expenses incurred in the submission and the return of a lot under Conditions of Sale 7-9 are not refunded.

## EXTENSION OF TIME

8. All lots to be sent out on extension must be paid in advance and submitted by H.R. Harmer.
